

# Team

2018-12-03

by **Wiebke Oeltjen**

## **The MyCoRe team from A to Z**

This list makes no claim to be complete. Many others contributed with tests, bugfixes, proposals and application development. If you have a question regarding a specific function of MyCoRe, you can **directly** contact one of the developers listed here.

Alternatively, or for general information on MyCoRe, you can get in contact with the MyCoRe Office.

### **René Adler**

Friedrich-Schiller-Universität Jena, Universitätsrechenzentrum  
rene.adler (at) uni-jena.de

- Application development
- MIR-Wizard
- USER2

### **Michel Büchner**

Friedrich-Schiller-Universität Jena, University Library  
michel.buechner (at) uni-jena.de

- ACL-Editor
- Content-Manager (COMA Component)

### **Matthias Eichner**

Friedrich-Schiller-Universität Jena, Thüringer Universitäts- und Landesbibliothek  
matthias.eichner (at) uni-jena.de

- Classification editor
- WCMS
- Application development in Jena

### **Stefan Freitag**

University of Leipzig, University Library  
freitag (at) rz.uni-leipzig.de

- Application development in Leipzig

### **Silvio Hermann**

Friedrich-Schiller-University Jena, University Library

---

s.hermann (at) uni-jena.de

- OAI
- Import tools for MyCoRe/Docportal (SRU, Opac and Pica+)
- MODS Components
- Persistent identifier (urn:nbn:de support)
- Application development

### **Sebastian Hofmann**
